

Eat your way to a successful Fund-Raiser!!!

Would you like to raise money for your school, sports team, organization or community club? Why not hold a fund-raiser at Frankie, Johnnie & Luigi Too! Or Giorgio's Italian Food and Pizzeria.

Our restaurant's have been successfully hosting fundraisers for the past 10 years and would be delighted to add your organization to our growing list of successful organizations. We have helped raise thousands of dollars for organizations just like yours.

Here is how it works:

- 1.) Fund-raisers are held on any Monday or Tuesday night of your choice.
- 2.) We will design a 'Master' flyer/voucher that will help you advertise your event.
- 3.) You reproduce enough copies for distribution to your student body or organization members.
- 4.) The evening of your event, simply present your voucher with your payment for any in-house dining or take-out order and 15% of the bill will be donated to your organization.
- 5.) Payment to your organization, in the form of a check, is sent directly to you.

If you have any questions or would like to schedule a fund-raising event, please contact the General Manager at one of our locations. Availability of dates is limited so please don't delay.

Donations

As a family owned business in the Greater Bay Area, we have always tried to support our local community as they have supported us for more than 50 years. To assist us in continuing to honor local donation requests, we ask that in return you will recommend our restaurants to all associated with your organization, group or business.

Again, it is our honor to support those who support us. Thank you for the opportunity.
